CME, CNE CPD and CE application is pending for approval This Sports Medicine and Sports Science Symposium is designed to be of interest to all the health-care professionals who are interested in and participating in Sports Medicine and Sports Science.

The Symposium will be held in the Sports House on the opening day (March 31, 2006) leading up the start of the Rugby Sevens 2006 - A truly remarkable occasion.

Speakers include renowned scholars and practitioners in the field who have a wealth of experience in diagnosing and treating sports injuries. This is essentially an invaluable opportunity for those who are interested in Sports Medicine and Sports Science, both local and overseas to get together, exploring the latest knowledge in the specialty and sharing their views and opinions.

The program featuring "Practising Rugby: How Should we Preparing and Proctecting Ourselves?" and "Rugby Injuries: From Dignosis to Treatment" covers a wide range of topical issues such as Fitness Profiling, Nutrition & Rugby Performance, Injury Prevention & Reduction, Discovering Injured Rugby Player with Imaging Techniques and much more...

It promises to be a great meeting. Don't forget to mark March 31, 2006 in your diary. Do come and join us! We look forward to meeting you in March.
