It is with great pleasure that we invite you to the Fourth SICOT/SIROT Annual International Conference which will be held in Buenos Aires on 23-26 August 2006. In the past Latin America has hosted several SICOT meetings, but this will be the first SICOT AIC in the region and the local organisers, the SICOT office and SORELCOMM are joining every effort to make it the orthopaedic event of the year. The Trainees' Meeting with which the AIC will start will give young doctors, residents and registrars a fantastic opportunity to present their work and discuss it with their international colleagues and to listen to the most renowned international speakers. We look forward to seeing you there!

Es con gran placer que lo invitamos a Ud. a la Cuarta Conferencia Anual Internacional de SICOT/SIROT que se realizará en Buenos Aires, entre el 23 y 26 de Agosto del 2006. Este será el primer SICOT AIC en la región y los organizadores locales, la oficina de SICOT y Sorelcomm, están realizando el mayor esfuerzo para hacer de éste, el acontecimiento ortopédico del año. El Trainees' Meeting, con el cual comenzará este evento, será una fantástica oportunidad para que residentes y médicos jóvenes (menores de 40 años) presenten sus trabajos, experiencias y las discutan con colegas internacionales, como así también escuchen a renombrados disertantes internacionales. ¡Esperamos verte allí!
